Shane-

The two folks that would be attending from EPA are myself (as the Pebble NEPA/Permitting team lead and Mining Advisor) and Molly Vaughn (NEPA reviewer).

Because the Corps is asking for a full day commitment on short notice, we have limited availability to cover a full day meeting.

We have more open days the week of March 19.

Per my 3/5 email, the best dates for us next week are March 12, 13 (not available after 3 pm), and 14 (I would need to participate in other meetings from 11-noon and 1:30 - 2:30, but Molly should be available).

Thanks-

Patty

Ps. Could you send me your phone #?

All,

I have not heard from most of you regarding availability to convene next week. Currently, the Corps prefers the 14th or the 15th for ease of logistics. Please respond as to availability next week, and if you are not going to attend, please indicate who may represent your agency.

Thanks.

Shane
